SUBJECT:

Request for a Leave of Absence

REFERENCES:

1. This memorandum is in response to your request (see reference A). Copies of the references are attached.

2. Your request is approved, subject to the expeditious resolution (which is under way) of the several, nontrivial administrative details by ICS and ACDA. It seems to me that we cannot implement this step unless these details are resolved by both sides; and, it is not in your interest either.

3. The IC Staff is transferring you from your prior rotational assignment to permanent cadre.

4. As we discussed in my office on Thursday, 25 August, we certainly do want you to return to the IC Staff at the end of this short-term leave without pay, recognizing that your current assignment may not be available for you to resume. Should this occur, we will make every good effort to find you an appropriate, stimulating assignment where we believe you could make the most contribution to ICS.

5. This issue was discussed in its entirety with General Heinz, D/ICS, and [REDACTED] Chairman, COMIREX, on Thursday, 25 August.

6. If there is more I can do to assist you here, please let me know.
